FAMS will compete in the ASMA Math Contest in 2008 - 2009

During this school year, students from FAMS will be participating in several different math competitions sponsored by other schools and organizations. The first competition that we will take part in is called the American Scholastic Mathematics Association (ASMA) Annual Mathematics Contest for Intermediate Schools.

The contest will run during the school year and will consist of 6 scored tests that will be delivered at FAMS. Any student in FAMS is eligible to participate in this contest and may sit for one, several, or all 6 tests. To sit for each test, a student must be registered for that test to ensure the student has a test booklet. Please see the FAMSMATH Blog for registration details and contest rules.

Each test will last for 35 minutes and will be delivered according to the following schedule

1. Test #1 will be delivered on *Monday October 13th at 3:30*
2. Test #2 will be delivered on *Thursday November 13th at 3:00*
3. Test #3 will be delivered on or about *December 11, 2008*
4. Test #4 will be delivered on or about *January 8, 2009*
5. Test #5 will be delivered on or about *February 12, 2009*
6. Test #6 will be delivered on or about *March 12, 2009*

If you have any questions or want to register for a particular test, please contact Mr. Snee at tsnee@franklinlakes.k12.nj.us.
